We understand that unplanned issues arise, and you may need to cancel an appointment. If this occurs, we respectfully ask for scheduled appointments to be cancelled with a minimum of 24 hours in advance. This will allow for other individuals waiting to receive needed treatment to fill the space originally reserved for you.

If you cancel your scheduled appointment with less than 24 hours notice, a fee of \$100.00 will be assessed.

I, _____, understand the above information and will comply with its contents regarding the cancellation policy.

Consent for Services and Financial Policy

Our financial policy

As a condition of treatment by this office, financial arrangements must be made in advance. The practice depends upon reimbursement from patients for the costs incurred in their care. Financial responsibility on the part of each patient must be determined before treatment.

All emergency dental services, or any dental services performed without previous financial arrangements, must be paid for at the time services are performed unless other arrangements are made.

Patients with dental insurance understand that all dental services are charged directly to the patient and that he or she is personally responsible for payment of all dental services. This office will help prepare the patient's insurance forms or assist in making collections from insurance companies and will credit any collections to the patient's account. Our office cannot render services on the assumption that our charges will be paid by an insurance company.

A service charge of 10% per month on the unpaid balance will be charged on all accounts exceeding 30 days, unless previously written financial arrangements are satisfied.

I understand that any fee estimate for dental care can only be extended for a period of one month from the date of the patient treatment plan.

Consent

In consideration for the professional services rendered to me by this practice, I agree to pay the charges for the services at the time of treatment, or within five (5) days of billing if credit is extended. I further agree that the charges for services shall be as billed unless objected to, by me, in writing, within the time payment is due.

I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver of any further term or condition and I further agree to pay all costs and reasonable attorney fees if suit be instituted hereunder. I also grant my permission to you or your assignee, to telephone me to discuss this statement or my treatment. I have read and understand the office policy and consent for services:

You have the right to request that we restrict how protected health information about you is used or disclosed for treatment, payment, or health care operations. We are not required to agree to this restriction, but if we do, we shall honor that agreement.

By signing this form, you consent to our use and disclosure of protected health information about you for treatment, payment, and health care operations.
